

Cookie Policy for www.icconnect-online.com

This policy covers the use of cookies on the iConnect website www.icconnect-online.com.

Use of cookies

We use cookies to better the users' experience while visiting the website. This website uses a cookie control system allowing the user on their first visit to the website to allow or disallow the use of certain categories of cookies on their computer/device. This complies with recent legislation requirements for websites to obtain explicit consent from users before leaving behind or reading files such as cookies on a user's computer/device.

Cookies are small files either saved to the user's computers hard drive or that expire when you close your browser that track, save and store information about the user's interactions and usage of the website. This allows the website, through its server to provide the users with a tailored experience within this website.

Below is a list of all the cookies we use of on website, their purpose, categorisation, and how long they are stored on your device for.

We consider "strictly necessary" and "functionality cookies" essential to our website's performance, smooth running, and continued improvement.

Further details:

This website uses tracking software to monitor its visitors to better understand how they use it.

Google Analytics

Google Analytics uses cookies to track visitor usage. The software will save a cookie to your computers hard drive in order to track and monitor your engagement and usage of the website.

You can read Google's privacy policy [here](#) for further information. To opt out of being tracked by Google Analytics across all websites [click here](#).

Hub Spot

We use Hub Spot for website analytics. The full list of cookies can be found [here](#).

Zopim (Live Chat)

Zopim uses cookies so that you are able to continue a chat with us when you navigate to different pages of our website, or if you come back to the site later on.

Other Cookies

Other cookies may be stored on your computers hard drive by external vendors when this website uses referral programs, sponsored links or adverts. Such cookies are used for conversion and referral tracking and typically expire after 30 days, though some may take longer. These include:

- Twitter
- LinkedIn
- Bing
- Podio
- Vimeo

Cookies subject to change

The cookies on the website are subject to change without notice.

You acknowledge that this information may contain inaccuracies or errors and is subject to change and we expressly exclude liability for any such inaccuracies or errors to the fullest extent permitted by law.

Policy updates

We may occasionally update this Policy. You're encouraged to occasionally check back to see how we're protecting your information.
